Date	No. of Hours	Miles (Round-trip)	Description of volunteer activity
			Sample collection.

In 2010, 85 different Coalition volunteers logged more than 1,140 hours of volunteer time worth \$22,250! This information is critical to HRWC's ability to successfully compete for grants! ANY amount of time that you spend in support of the Coalition should be logged and turned in, regardless of how insignificant it seems to you.

THANKS FOR ALL YOU DO!
